3 **General Requirements**

4 **R307-325-1. Purpose.**

5 The purpose of R307-325 is to establish general  
6 requirements for control of volatile organic compounds  
7 (VOCs) in any nonattainment or maintenance area[§].  
8

9 **R307-325-2. Applicability.**

10 R307-325 applies to all sources located in any  
11 nonattainment or maintenance area for ozone.  
12

13 **R307-325-3. Definition and General Requirement.**

14 No person shall allow or cause volatile organic  
15 compounds (VOCs) to be spilled, discarded, stored in open  
16 containers, or handled in any other manner that would  
17 result in greater evaporation of VOCs than would have if  
18 reasonably available control technology (RACT) had been  
19 applied.  
20

21 **R307-325-4. Compliance Schedule.**

22 All sources within any newly designated nonattainment  
23 area for ozone shall be in compliance with this rule within  
24 180 days of the effective date of designation to  
25 nonattainment.
